TeachHub is a portal to support students and teachers. The portal provides quick links to essential applications for remote learning, including:

- iLearnNYC, the Summer School 2020 online learning platform
- Student report cards (available in the Student Documents icon)
- Multiple educational applications
- G Suite, Microsoft O365, and Zoom (using secure central accounts)
- And more!

To Sign In

- Students must sign in with their DOE Student Accounts
- Teachers must sign in with their DOE credentials
- School-issued G suite accounts will not work, you must use the DOE log in.

SELECT YOUR COURSE(S)

This screenshot shows the iLearnNYC interface for a user named DANIELLE COCCIA. The 'My Courses' section displays a grid of course cards. A red box highlights the 'Apex - Earth Science Core 2018 (semester 2)' course card. The course card includes a 'CLOSED' status, a thumbnail image, and the course title. Other visible course cards include 'GEOMETRY T2 LIBAYO SUMMER 2018', 'SS 2020, Q690, ALGE BRA 2 / TRIG 2 OF 2_MRF22_1_7', 'SS 2020, Q690, GEO METRY 2 OF 2_MGF22QNX_1_7', 'Earth Science T2 Summer 2021', 'English 12 T1 Thompson Summer 2021', 'Global 9 T1 Summer 2021', 'English 12 Term 1 Postiglione Fall 2020', 'Earth Science T1 Summer 2021', 'Environmental Science T1 Summer 2021', 'Physical Education Tompa Fall 2020', and 'Economics Mcketney Summer 2021'.

This screenshot shows the 'Earth Science T2 Summer 2021' course page. The 'Content' section is active, displaying a list of course materials. A red box highlights the 'Apex - Earth Science Core 2018 (semester 2)' link. The 'Announcements' section contains three posts: 'iLearnNYC Office Hours (New Link)', 'Summer Rising Opportunity for all iLearnNYC Coordinators, Programmers and Teachers', and 'Discovery Education in iLearnNYC'.

7

YOU MUST DO ALL UNITS.

This screenshot shows the 'Unit Overview: Laying the Groundwork' page. It features a progress bar with six units, where 'Unit 1' is currently selected. Below the progress bar, there are six unit cards with corresponding images: 'Unit 1: Laying the Groundwork' (volcanic landscape), 'Unit 2: The Movers and Shakers' (mountain range), 'Unit 3: Minerals and Rocks' (stone tiles), 'Unit 4: All the Time in the World' (fossil shells), 'Unit 5: Earth's Resources' (solar panels), and 'Unit 6: Semester Review and Exam' (globe puzzle).

9

This screenshot shows the 'Apex - Earth Science Core 2018 (semester 2)' unit details page. The 'Standards' section is active, showing a list of standards. A red box highlights the 'Apex - Earth Science Core 2018 (semester 2)' link. Below the standards list, there is a link icon and a button labeled 'Open Link'. A blue arrow points from the 'Open Link' button to a red box containing the number 8.
